2024 Kids Day Kamp offers daily activities that encompasses the various animals on the farm. Specifically designed according to our camper's ages, campers learn how to care and nurture the various animals through one-on-one interaction and even have a chance to bring out their competitive and creative sides through games and crafts.

Campers get the best out of this Day Kamp when attending the full 4 Days. Nonetheless, we do offer other options that include Full Day Kamp and Half Day Kamp (See prices below). Camper's should register for any of the Kamps mentioned above no later than a week prior to the week the Kamp is being held. [Complete the Summer Camp Sign Up Form](#) and we will reach out to you to confirm your spot, provide you with release forms and process your camp payment. All 8 spots will be filled on a first-come-first-serve basis for both weeks. Your spot at camp is NOT confirmed until your release forms and full payment have been received.
