- Prices are based on incoming skirted weight and rounded to the nearest ½ lb.
- 50% Deposit is due upon receiving fiber, and final payment is due upon completion date.
 - When estimating the deposit, weigh each bag then calculate the product you want in return.
- Minimum Order is 3 lbs and 6 lbs for Rug Yarn. Please refer to the Yarn Weight Chart when ordering yarn.
- We reserve the right to reject orders for exceptionally dirty fiber or anything we deem not processable.
- Please compress your fiber as much as you can and use clear plastic bags. The largest box size is 18" x 18" x 18". Freight is based on volume as well as weight. Box size is important. If you have multiple boxes, please standardize your box size and do not exceed the dimensions stated as it will save you money shipping.
- Shipping cost is the customers responsibility. We will make sure you get the best rate if shipping product back to you.
- We accept all major credit cards.

The following lists each process throughout the mill. Pricing is all inclusive for the type of product ordered. Depending on the cleanliness and quality of the fiber received we may have to use extra steps in the process. This may include tumbling, skirting, extra wash cycles, initial or extra passes through the separator, handling of extra fine fiber and skein washing. Please note that we separate all fiber for consistency and quality of product.

Please note the following:

- Any unpaid balances over 30 days will result in the finished product becoming the property of Black Rock Mountain Alpacas & Fiber Mill.
- We cannot stress enough to prepare your fiber prior to shipping it in as it will greatly reduce the expected loss ratio during processing.
- We service customers on a first come basis. Just because we have your fiber it does not mean we are processing it. Sometimes there are delays caused by equipment problems, personnel issues and farm emergencies.
