Please send your fleece in clear plastic bags and each bag must have this order form included. Skirting your fleeces will greatly improve the quality of your product. We will sort and grade your fiber to make sure what product you request can be processed. We reserve the right to refuse to process your fiber if it is too dirty or does not meet our criteria for the product you request. We also may have to use extra steps in processing such as washing and additional cycles through the separator. Cost of these extra steps are outlined on our cost sheet. Due to numerous factors involved in fiber processing, you are agreeing that you hold harmless Black Rock Mountain Alpacas/Fiber Works owners/or operators. Your final invoice is to be paid in 14 days after processing is complete. I have reviewed the price list order form, Terms and Conditions, and authorize Black Rock Mountain Alpacas/Fiber Works to process my fiber.
