Important Message Regarding Federal Express Shipments:

Effective March 1, 2021 Federal Express will change their delivery times to our facility.

Our laboratories recommend using FedEx Priority Overnight Service to be delivered by 10:30am Monday-Friday. All other FedEx services - Standard Overnight, Express Saver, FedEx 2-day - will not be received at our facility until late afternoon which may result in longer turnaround times if daily testing deadlines are missed. Please use the Test Information and Price List button on our website (dlab.colostate.edu) to find submission deadlines for required testing and choose the service that best suits your needs.

-Thank you for choosing CSU for your diagnostic services. If you have any questions about test interpretation, we are happy to provide assistance. Please consult a licensed veterinarian regarding treatment options and management decisions.
