

## Adopt-A-Paca ©Program

Owning an alpaca is a lot of work, takes a very big commitment and requires some land!

Windrush Alpacas already has over 60 alpacas that we love and take care of every day. We want to share the best parts of the experience with you!

**How it works:** You select one of our alpacas that is participating in the Adopt-a-Paca ©Program on our farm and become his or her sponsor for one full year!

### **This is what you receive as a sponsor:**

- An Adoption Certificate
- An 8x10 picture of your alpaca
- A copy of the Alpaca Registry, Inc. (ARI) registration certificate showing your alpaca's date of birth and lineage
- Periodic pen pal letters from your alpaca
- Monthly e-mail newsletters from the farm
- You may even get some neat bonuses during the year... you'll just have to wait and see!

### **All This for \$35!**

Your participation in the program will help us continue to ensure our alpacas are healthy, happy and well fed!

### **How to apply:**

1. Select the alpaca you wish to sponsor from the Alpaca Bios on our website.
2. Complete the [Adopt-A-Paca© Registration form](#).
3. Checkout/complete the payment on the registration site or through the bio on the website.
4. Upon receipt of payment, your Welcome Package will be prepared and mailed to you. \*\*
5. Enjoy your alpaca!

*\*\*Please note: Our Adopt-a-Paca© program is very special to us. We truly appreciate your support of our farm. Rosemary, our owner, personally processes the paperwork for each sponsorship. She also cares for the alpacas. It can take 48-72 hours for your welcome packages to be mailed, with another 4-7 days before it is delivered to your recipient.*

### **Disclaimer:**

*Your contribution of \$35 is used toward covering the costs of daily care for your alpaca and is non-refundable. Your payment of support does not constitute ownership of the animal but only entitles you to the above-listed benefits. Sponsorships are not exclusive to one individual per alpaca. Others can sponsor this alpaca too. The sponsorship will last for 12 months at which time you can renew for another year or pick a new alpaca.*
