

MAA Meeting – June 6, 2015

Place: Fiber Frolic

Speaker Richard Thieabout (spelling) speaker on fodder.

Explained the whole concept and setup he has.

- Grows on its own

- Replaces hay and some grain

- Works with Longwood alpaca right now

- Healthier for alpaca

- Cuts on vet cost

- Better fiber

  - Needs good seed otherwise will mold/rot

  - Does need climate control

  - Richard has starter kits

    - 8 tray system \$550

Next meeting Sat Oct 3<sup>rd</sup> (will announce where)

Tory Jackson will be speaker

University trying to setup a camelid seminar

Board meeting Sept 13 at Lois'

Open farm day - July 26<sup>th</sup>

Let Bill know to be on the website

Adjournment

P.S. Looking for 2 of your best pictures for a new slide show.
