For 1-10 samples:

For 11 or more samples:

Jonathan J. Bliss
MidAmerica Ag. Research
1205 Wilshire Drive
Naperville, IL 60540

Donald H. Bliss, Ph.D.
MidAmerica Ag. Research
3705 Sequoia Trail
Verona, WI 53593

The total egg count is reported here for each sample and the incidence level of specific parasite genera is recorded as low(+), medium(++), or high(+++).

(+ = 1-10) (++) = 11-50) (+++ =>51)

*Not reported in total egg count
