### SYMPOSIUM

- Registration is at 53 people.
- Workshops have 19 registered for the morning sessions and 33 for the PM sessions.

- The economy seems to be slowing registrations. Ideas to encourage registrations include emails to members once a week, national email blast, \$50 off every member registration.
- Don will need to make the \$50 change in the Symposium registration system. Sue will send refund checks to the people already registered at the higher price. We should all encourage people to attend the Symposium and let people know that there are alternative hotels at lower cost available in the area.
- Sponsors thus far include 2 Platinum and 1 Gold.
- Ideas to thank sponsors include an ad in the next Alpaca Magazine listing sponsors for the Extravaganza and the Symposium and a discount of 25% off for Extravaganza Sponsors to be a sponsor for the Symposium.
- 62 fleeces have been registered.
- Spin-off entries are the highest ever.
- EAA will host a dinner on Friday night for the speakers, judges and board members. It is booked in the hotel restaurant.
