**AZIEL**  
White  
Male

Born 10/31/2020

Aziel is a **rascal**. Knows he's **handsome and cute**. Still has another year of growing. Has **almost no fear**. Trots up to visitors because he knows they have food for him. Very fully fleeced. Likes to drop into bushes when he's out on a walk. **Very personable**. Lots of deep fluffy fleece. **Very intelligent**.

**DIAZ**  
Light Rose Gray  
Male

Born 5/10/2017

Diaz is our **resident drama queen**. **Cautious and shy**. Complains, via humming, even when nothing is happening to him. Beautiful medium rose-gray fleece. He's a **good walker** when we keep him in the middle of the other alpacas. Lovely brownish-gray fleece.

**HUGO**  
Medium Fawn  
Male

Born 5/19/2017

Hugo is a **steady chap**. Easy going. **Pleasant nature**, much like his mom, Skylar. He's **easy to handle** when out walking. **Attentive without being overly cautious**. His fleece is thick and long, a beautiful medium brown color.

**JASPER**  
Medium Rose Gray  
Male

Born 3/30/2013

Jasper **believes he's head of the herd**, though others in his paddock question his beliefs. He will come eat grain out of your hand. **Likes to pretend he's a tough guy**, but **melts into your arms** during morning loving time. **Can be stubborn** at times, but **comes around with gentle handling**.

**KLONDIKE**  
White  
Male

Born 10/9/2015

Klondike is our **most gentle alpaca**. **Easy going**. Very cautious. **Beautiful, sweet personality**. **Good walker** when he's with the whole troupe of males but **can also be skittish** and refuse to go further if something spooks him. His fleece is a beautiful ivory color, thick and full. **A sweetheart among alpacas**.

**MAGNUM**  
True Black  
Male

Born 4/18/2014

Magnum is **shy and often standoff-ish**. He's more an observer than participant, and definitely **marches to his very own tune**. He is our only gelded male, and as such, he's the **designated babysitter for weanling males**. Beautiful silky black coat, it's the **softest fleece of all our alpacas**.

**PHANTOM**  
Medium Silver Gray  
Male

Born 10/3/2016

Phantom **loves all females, regardless of species**. He will come up to your face and touch your nose if you keep your hands behind your back. Move your hands forward and he will back up quickly. He's **smart** and **has his own idea of how his world should be**. Lovely deep fleece covers his body and legs.

**TROUBADOUR**  
White  
Male

Born 8/26/12

Troubadour is **all about food**. If you're offering it on your hand, he will be your best buddy. He's a **gentle lad** and **easy to manage** on a lead. Can be **opinionated but loveable**. His top hair grows straight up and is only beginning to get some fullness to it.

**TOPAZ**  
Light Rose Grey  
Female

Born 11/7/2009  
**Pregnant**  
Due September 2022  
Topaz is **gentle**, until she gets pregnant. **Loves visitors**, especially when they offer her food. Can figure out ways to get through gates and under flexible fencing and leads others to do the same.  
**Super smart!**

**DAISY**  
White  
Female

Born 10/29/2014  
**Pregnant**  
Due February-March 2023  
She is **small and shy** and often stands to the back and **lets others be brave for her**. She's comfortable only when she can see the rest of her herd.  
**Opinionated but sweet.**

**TALINI**  
Medium Brown  
Female

Born 3/5/2015  
Talini is a **very gentle and sweet alpaca**. **Easy going personality**. **Motivated by food**, she's often the first one to come up to visitors who are offering food. She and Cici compete to be the one who gets fed first.

**SKYLAR**  
Medium Fawn  
Female

Born 4/15/2012  
Skylar has passed on her **gentle nature** to her offspring, Talini and Hugo. She has a **laid-back personality** and usually **takes everything in stride**, except when it comes to sharing her food dish.

**CICI**  
Light Fawn  
Female

Born 10/14/2016  
Cici is a **sweet girl** with a **mind of her own**. She loves to be hand-fed by visitors but will move back if anyone tries to touch her. She's **always first in line** to get her belly and legs hosed with cold water during warm weather. Absolutely no one gets ahead of her.

**BELLE**  
Medium Silver Gray  
Female

Born 10/17/2011  
Belle is a **beautiful, sassy spitfire**. **Self-appointed guardian of the herd**, she often stands separate from the rest of the ladies and **oversees** what's happening in the herd.  
**Very motivated by food**, she will always show up for a hand with feed in it.

**CHLOE**  
Light Fawn  
Female

Born 5/3/2009  
Chloe is **shy, patient, easy-going**. She's the **tallest** of our alpacas, mom to Daisy, Cici, and Aziel. She is often the **first to give an alarm call** when she sees something scary – turkeys, deer, dogs, rabbits.
